## Spend Less with In-Network Care

When you have a medical emergency, go to the nearest Emergency Room. But when your illness or injury is not severe, consider an **in-network urgent care center** or **retail health center**. Both can handle basic injuries and minor illnesses, and at a fraction of the cost of the ER. For routine and preventive health care, see your **primary doctor**. Routine care, such as an annual wellness visit, is not covered at urgent care centers or retail health centers.

To find in-network care, sign in to the **Horizon Blue app** or at [doctorfinder.horizonblue.com](https://doctorfinder.horizonblue.com).
